RE: EXHIBITORS/DISPLAYS

In the interest of life safety the City of Brandon Fire and Emergency Services has developed the following policy in order to deal with all exhibits/displays under the City's jurisdiction.

The City of Brandon Fire and Emergency Services is the authority having jurisdiction for the enforcement of infractions of the Manitoba Fire Code for all exhibitors/displays which take place in the City. This Code relies on the owner or the owner's authorized representative to comply with the Code requirements.

We recommend the owner inquire to the City of Brandon Fire and Emergency Services as to the legitimacy of a display prior to an exhibit in order to ensure compliance prior to the event.

Failure to comply with the following guidelines shall result in a fine as per City of Brandon By-Law No. 6063/12/93, contravening activities shall be required to cease immediately.

The following Manitoba Fire Code Regulations and Brandon Fire and Emergency Services Policies shall be observed by all exhibitors during exhibits/displays within the City of Brandon jurisdiction.
